

Delegate Kiefer.

DELEGATE KIEFER: Mr. Chairman, I have to rise in opposition to this amendment for the same reason that I opposed the last one. This states the same principle in just slightly different language. The other covered both civil and criminal proceedings. This covers Court proceedings. The other had the word "agency". This leaves it out. It is exactly the same. I hope you will vote against it.

THE CHAIRMAN: Is there any other discussion?

Delegate Bamberger.

DELEGATE BAMBERGER: Will Delegate Kiefer yield?

THE CHAIRMAN: Delegate Kiefer.

DELEGATE KIEFER: Yes, sir.

THE CHAIRMAN: Delegate Bamberger.

DELEGATE BAMBERGER: In the Committee's discussion of the suggestion made by this and the prior amendment, how, or what did you consider to be the method of enforcing and of protecting the right of privacy which you have spelled out in section 4?

THE CHAIRMAN: Delegate Kiefer.

DELEGATE KIEFER: Well, we did not consider this was the way to do it. This will be implemented by legislation where necessary, and also, of course, in this particular area and field by judicial determination in each individual case.

THE CHAIRMAN: Is there any other discussion?

*(There was no response.)*

Are you ready for the question?

*(Call for the question.)*

The Clerk will ring the quorum bell.

The question arises upon the adoption of Amendment No. 8. A vote Aye is a vote in favor of the Amendment. A vote No is a vote against.

Delegate Willoner.

DELEGATE WILLONER: Mr. Chairman, for the record, the intent I think of the Committee was that it should be enforced as the amendment is enforced at this time through the exclusionary rule. We do not hold to this in the event some other method can be determined by the courts.

THE CHAIRMAN: The question arises on the adoption of Amendment No. 8. A

vote Aye is a vote for the Amendment. A vote No is a vote against. Cast your vote.

Has every delegate voted? Does any delegate desire to change his vote?

*(There was no response.)*

The Clerk will record the vote.

There being 34 votes in the affirmative and 84 in the negative, the motion fails. The amendment is rejected.

Are there any other amendments to section 4?

Delegate Weidemeyer.

DELEGATE WEIDEMEYER: Mr. President, I would like to have my vote recorded against the last amendment. It is true I did push my button in favor of it because Delegate Bothe had argued so convincingly that I wanted her to know I was with her part of the way, although I was not willing to go all the way and vote for the amendment.

THE CHAIRMAN: I take it that Delegate Weidemeyer is saying that he voted in error. If so, the Clerk will correct the error. The Chair will correct the statement. The amendment was rejected, with 33 affirmative votes and 85 negative votes.

For what purpose does Delegate White rise?

DELEGATE WHITE: I am very glad that my friend to my right changed his vote. Now I can sleep better tonight.

THE CHAIRMAN: The Chair recognizes Delegate Sosnowski.

DELEGATE SOSNOWSKI: A point of personal privilege, Mr. Chairman.

THE CHAIRMAN: State the privilege.

DELEGATE SOSNOWSKI: Mr. President, Mr. Chairman, tonight we have with us the following representatives of the Teachers Association of Anne Arundel County:

Jeanne Pitzer, President.

Joanne Pitzer, Legislative Member.

Jean Carlton, Legislative Member.

Alice Gilbert, Legislative Member.

Markham Wingate, Legislative Member.

Robert Hopper, Chairman, Legislative Committee.

I certainly consider it an honor and a pleasure to introduce these people. *(Applause.)*
